

# Willow Springs Health & Rehabilitation Center

## WEEKLY UPDATE

6/22/2020

Dear Residents and Families/Representatives,

Please accept this letter as Willow Springs Rehabilitation & Healthcare's weekly update to keep you informed about the status of COVID in our facility and what we are doing to keep our residents and staff safe during the ongoing coronavirus pandemic.

As of today, we have no confirmed cases of COVID-19 in our facility. All residents and staff have been tested and are all negative at this time. We are increasing our efforts on infection control policies and on personal protective equipment usage to ensure continued success.

As a reminder, we continue to closely monitor and follow the recommendations of our federal, state and local health officials. Only essential personnel are allowed inside the facility and we screen them for signs and symptoms of illness prior to entering. Our residents are continually monitored and staff is using PPE as recommended by the CDC. Staff is frequently reminded and encouraged to practice social distancing and to use hand sanitizer and frequently wash their hands when they are in the facility and out in the community. We ask them not to report to work if they have symptoms of illness.

Please continue to check our website for updates. As always, we will notify you if we receive confirmation of a new positive case in our facility and we will reach out to you individually if your loved one is displaying symptoms of COVID-19 or tests positive for COVID-19.

If you have any questions or concerns please contact us directly 325-692-2172.

Sincerely,

Keila Cude  
Administrator
